

Base Fire Blossoms at \$500,000

In an early morning fire today, damage estimated at \$500,000 was caused. An immediate investigation has been ordered to determine the cause of the outbreak. Hundreds of spectators attracted by the shrieking sirens and flames had subdued the flames after a two-hour fight. The lower picture shows an RCAF fire truck and crew busy putting water on the flames. Photos by Black

Says Political Terror Reigns in Hungary

LONDON, June 12 (CP)—Minister of State Herbert Morrison told the Commons today that Great Britain would persist in seeking clarification of the situation in Hungary despite a Russian rebuff charging Britain with interference in internal Hungarian affairs.

BUDAPEST, June 12 (AP)—A prominent member of parliament today denounced the new Communist-controlled government and called on the Smallholders party to adopt Communist tactics if it ever hoped to set up a real democracy in Hungary.

Deszo Sulyok, Freedom party leader, made a sarcastic, hour-long denunciation of the new regime, set up after the resignation of Premier Ferenc Nagy. He said it had made Hungary a police state.

"The wildest and most objectionable political terror reigns in Hungary," he said. "There is no freedom of press, assembly or opinion."

"Whenever we announce a political meeting," Sulyok declared, "a security man of 400 to 500 persons, armed with rifles, appears and orders us to leave the meeting and to go to the police station."

He said that after one such occurrence, "five or six people were arrested for fighting back."

Deputy Speaker Istvan Gossz, a Communist leader and secretary general of the Trades Union Congress, adjourned parliament until next Wednesday when Sulyok concluded his speech.

The action caused an uproar among the anti-Communist members, who charged that Gossz was trying to silence two other opposition members who had scheduled speeches.

United Campaign Fund Now \$64,471

First report of the workers of the Edmonton United Campaign, who are trying to raise a \$350,000 fund for the YMCA, YWCA and the Salvation Army, was received at campaign headquarters today.

At the close of three days the amount raised is \$64,471 of the objective. Of the amount raised, \$60,000 is special gifts and \$4,471 raised by canvassing.

Workers under Dr. Tom How in Section 1, raised \$1,249. Section 2, under the leadership of Ronald Butler, raised \$1,236. John Proctor, Section 3, raised \$1,236. Section 4, directed by John M. Robinson, raised \$1,242. Section 5, directed by Mrs. H. Johnson, raised \$1,147.

The appeal will continue through to Monday, June 23.

The need of the campaign is of the greatest urgency, officials said. Most of the buildings are at least 40 years old. They were designed for a population of 100,000. The present population of 150,000. Despite adequate maintenance and repairs, and steady increases in rents, buildings are old and facilities are worn out.

Schmidt Not Guilty Of Treason Charge

VIENNA, June 12 (AP)—A Vienna newspaper today reported that the Austrian government had decided to drop the treason charges against Adolf Hitler.

The decision was made after a long and bitter struggle in the Austrian parliament. The government had been under great pressure to prosecute Hitler for treason.

The decision was a major victory for the government. It was a clear statement that the government was not going to prosecute Hitler for treason.

Discover New Treatments For Paralysis

ATLANTIC CITY, N.J., June 12 (AP)—Discovery of several treatments for the most fatal kind of infantile paralysis, that both saves lives and gets the children well with little crippling, was reported to the American Medical Association today by Dr. A. B. Baker, Minneapolis.

Hangar, Two Planes Destroyed in Blaze

The rattle of exploding ammunition, and several dull explosions heralded the start of a blaze about 1:30 a.m. Thursday, which swept through the No. 1 hangar at the former American air base on Kingsway and caused damage estimated at about \$500,000. Hundreds of spectators watched the spectacle.

The hangar was a total loss and the flames took with them two Norwegian C-47 planes. According to reports the fire is believed to have started in one of the planes, then spread to some small arms ammunition and flares. From these the wooden building soon started up in flames.

One large B-29 was badly scorched while eight P-61, or Black Widow night fighters were saved. The B-29 was parked in front of the hangar and just shortly after the fire broke out the night crew moved it to safety.

The eight night fighters had just been flown up to Edmonton from Great Falls Wednesday by American pilots and were parked in a line on the north side of the building. These were all soon moved to safety.

It was reported unofficially that two hangars south of No. 1, a four-engine "B-29" bomber was stored. This, however, was in no immediate danger as the wind was blowing in a north-easterly direction.

Save Nearby Buildings

The stubborn fight by both city and fire forces to save the hangar from being destroyed by fire, was a battle that raged for several hours. The fire broke out in the southeast corner of the building and near one of the planes was parked.

It was reported that several men were on duty in the hangar at the time the blaze broke out and at first they attempted to combat the flames with fire extinguishers, but seeing their efforts were futile they then set to work removing the planes located nearby.

Equipment Destroyed

A blaze on the east side of the hangar is said to have contained some machine shop tools and radar equipment. The boiler room equipment situated in the hangar was also destroyed.

ON THE WEST SIDE of the hangar it was reported that several searchlights and instruments were not in a lean-to along that wall.

Toward the north end of the building firemen kept a constant stream of water pouring on the flames and acetylene tanks and were successful in preventing them from exploding. If these had exploded, the lives of firemen and spectators would have been in danger.

AS FAR AS could be discovered, the fire broke out in the hangar as a result of the fire. Some may have received slight burns. If so they were only of a minor nature.

However both city and RCAF fire forces were on hand in case of emergency. Medical men were close by, if needed.

City police had their hands full as did the RCAF police in keeping the huge crowd away from the burning building. The blazing building could be seen for miles and soon automobiles were streaming up Kingsway with curious passengers drawn by the blaze.

A large warehouse within 20 feet of the burning hangar was saved. This building contained foodstuffs and baggage. The other buildings near the hangar, on three sides, were full of equipment.

ABOUT SEVEN minutes after the fire started the roof caved in. The hangar was constructed during the war by the Americans and consists of steel girders covered with plywood. Recently the hangar was turned over to the RCAF.

The two planes lost in the fire were flown by Mr. Heiler and Mr. Butler. The fire department reported that at 1:30 a.m. the first call was received by Mr. Heiler and Mr. Butler. Hall No. 1 pump, hall No. 5 pump and ladder and No. 8 pump. Seven minutes later another alarm was sent in and was answered by a pump truck and a 2½ gallon and a ladder run by Mr. Heiler.

Fire Chief James MacGregor was in command of the fire. (Continued on Page 2)

Align Armies in Event of War

SAY SOVIET SEEKS HUNGARY ALLIANCE

Protest Officials Attending Congress

VICTORIA, June 12 (CP)—A resolution passed at a Protestant meeting here last night, protested the participation of Canadian government officials in a representative capacity at the Marian Congress to be held in Ottawa June 15-22.

The resolution read in part: "We always willing to accept to Romanists the full liberty of conscience and worship, we protest against the participation of Canadian government officials in a representative capacity at the Marian Congress to be held in Ottawa June 15-22."

Officials of the war ministry would neither confirm nor deny reports that the army would be trained by the Russians, but that Hungarian military and police officers had signed up to take the course.

Calgary Becoming Hub of Airlines

CALGARY, June 12 (CP)—Calgary will become the scheduled passenger airlines hub for Alberta beginning July 1, when two services in Eastern Canada, three in Vancouver, three to Edmonton and two to Lethbridge will be put into operation in and out of the Calgary airport daily by Trans-Canada airlines.

DC-4 passenger airplanes will operate on all the scheduled except the two flights daily each way across the mountains. The fastest but smaller 14-passenger Lockheed Lodestar will continue on the non-scheduled service until Oct. 1, when the four-engine DC-4 36-passenger planes will be brought into service on the Trans-Canada routes.

McGee Will Head Strong Delegation

VANCOUVER, June 12 (AP)—With the announced intention of projecting into the "morbidity" Canadian Federation of Mayors and Municipalities, Mayor C. G. McGee will head the strongest delegation ever sent by Vancouver to the annual convention of the Federation in Winnipeg July 11. The five-man delegation will seek to turn the federation into an aggressive and effective spokesman for Canadian cities or "get out of it."

Political Terror

(Continued from Page 1)

Heard said the Russians had denied charges to enter Hungary for military aid. United States representative of the United Nations Educational, Scientific and Cultural Organization.

Hungarians said the Communists who seized control of the country early this month, did not want American investigators in the country.

BY JOHN M. HIGHTOWER
WASHINGTON, June 12 (AP)—Diplomatic authorities freely predicted today that Russia will either reject outright, or try to hamstring, the United States demand for a Big Three inquiry into the Communist grab in Hungary.

IN EITHER EVENT, these officials declared, the United States in all probability will carry the case to the United Nations—perhaps in some manner designed to focus the spotlight on Soviet activities all through the Balkans.

This country laid the foundation for such an appeal last night when it made public a blistering protest charging Moscow with "flagrant interference" in Hungarian affairs and demanding a three-power investigation of political conditions in Hungary "as a matter of urgency."

The document brought out that ever before occasions, March 5 and March 17, substantially the same request had been turned down.

Demonstration

BRUSSELS, June 12 (AP)—The British-Belgian newspaper, Social Democrat reported today that German housewives of Dresden, in the Russian occupation zone, staged a hunger demonstration recently in one of the city's main squares.

ing Russian army manoeuvres would be the first step.

AN INFORMANT said under the terms of the agreement reached at the end of the war the Hungarian army was pledged to fight on the side of Russia in the event of war. This agreement will be nullified by the Russian ratification of the peace treaty, he added, and so the Russians now are negotiating a new agreement.

Air Base Fire

(Continued from Page 1)

in charge of operations and ordered five lines of hose laid. RCMP firefighters also laid about five lines. By 3:55 a.m. the "all out" signal was given.

Police on duty were under command of Inspector Murdo, Munroe and Sergeant Jim Newell.

The fire culminated a day of activity for the RCMP personnel who had been working preparing the hangars for the big air force day show to be held Saturday. It is not yet known what the fire will effect the show in anyway however.

It was not divulged how many planes were actually housed on the field at the time. There are however four hangars in this particular area.

All who witnessed the blaze agreed it was one of the most spectacular to have been seen in Regina for a number of years.

The ever present danger of possible explosions kept all watchers in a tense mood.

A complete investigation has been ordered.

Bulgaria Ousts Petkov Followers

SOFIA, June 12 (AP)—The Bulgarian Grand National Assembly today expelled 23 Agrarian party members, who formed the chief opposition to the Communist-dominated Fatherland Front bloc.

The assembly voted that the 23 members of the Petkov Agrarian party had resigned voluntarily but all 23 in a final statement to parliament insisted that "we do not resign."

Nikola Petkov, now under arrest on charges of plotting against the state, is the party's general secretary. The assembly adopted a resolution stating that the Agrarians, "owing to voluntary resignation" have lost prestige and are no longer members of the Grand National Assembly.

Price Controls

(Continued from Page 1)

turers are close to supplies of raw material, explained Mr. Heiler. Consequently their position in the market and the west must pay more for freight shipping, to the condition quite favorable to the easterners.

"IT'S A FIGHT which the Maritime and Westerners must finish," said Mr. Heiler. His own company must pay six dollars a ton for shipping pig iron from New Brunswick, whereas Ontario manufacturers pay closer to sixty cents per ton.

Mr. Heiler stated that he, therefore, is keenly interested in the outcome of the present government inquiry into freight rates.

Solution to the problem, he suggested, might lie in a scheme of raising freight rates to equalize charges between those firms near sources of supply and those many miles away. "Such a system is used satisfactorily in the United States," he added.

REGARDING HIGH tariffs to protect Canadian manufacturers, Mr. Heiler and Mr. Balmann refrained from comment, since even continental groups meeting in Geneva have not obtained a satisfactory solution, they said. Mentioning competition with U.S. manufacturers, they definitely stated that Canada should import a much greater volume of British goods.

"Canada has limitless possibilities as an industrial nation," asserted Mr. Balmann. Concerning Europe, he said Edmonton has "perfect opportunities" for great expansion.

"If we are to judge by the speeches of Alberta delegates at the CMA convention, this is the province in the Dominion," Mr. Heiler laughingly said.

Edmonton is "bound" to be a big city, both manufacturers agreed. "We have always thought so, and Edmonton is becoming better and better known in Eastern Canada as an advancing city."

Indian States

(Continued from Page 1)

Recommendations for an Indian supreme court to take over the Indian appeals jurisdiction of the Privy Council and to have final authority in Indian constitutional questions have been agreed to by a committee of the constituent assembly, it was understood.

MOHANDAS K. GANDHI urged at his prayer meeting last night that Mohammed Ali Jinnah, Muslim League leader, should "put all his cards on the table" so that minorities might see clearly what Pakistan would mean for them.

Alta. Population Rises by 7,161

OTTAWA, June 2 (CP)—Population gains reflected in the 1946 five-year prairie census are shown in only 15 of the 48 federal electoral districts, with Saskatchewan districts showing the greatest increase, the Bureau of Statistics reported yesterday.

The report giving final figures on the population of prairie provinces, showed increases in seven Manitoba ridings, two in Saskatchewan and six in Alberta. At most all were urban ridings.

Compared with the 1941 census figures, the 1946 census showed how the changes in prairie population were distributed by electoral districts. By provinces, the population in Manitoba decreased from 720,544 in 1941 to 708,925 in 1946, and in Saskatchewan from 883,952 to 824,668. In Alberta the population rose from 796,109 to 803,330.

The 1946 Alberta population by electoral districts, with 1941 figures bracketed: Acadia, 25,535 (20,367); Athabasca, 30,362 (25,089); Battle River, 36,416 (40,453); Bow River, 43,124 (45,309); Calgary East, 54,908 (47,777); Calgary West, 49,128 (45,744); Canmore, 59,734 (45,103); Edmonton East, 65,176 (57,967); Edmonton West, 95,965 (85,300); Jasper-Edmonton, 54,439 (38,947); Lethbridge, 52,341 (48,626); Medicine Hat, 45,007 (43,000); Medicine Hat, 41,743 (41,743); Peace River, 51,217 (52,477); Red Deer, 67,827 (64,903); Vegreville, 42,904 (48,346); Wetaskiwin, 52,328 (53,516).

Russian Shot Kills Relief Official

VIENNA, June 12 (AP)—Russian soldiers fired on a Swedish relief mission automobile last night and killed Arne Carlsson, Vienna chief of the Swedish Save-The-Children organization.

A Swedish legation spokesman described the shooting as a "deplorable" action, and said no protest would be lodged with the Russians.

Carlsson was killed by a rifle shot fired by a Russian soldier near the Czechoslovak border. Dr. Thorsten Andersson, chief of the Swedish relief mission Austria, said he was injured slightly in the right hand by flying glass.

Carlsson was a 30-year-old son, riding in the back seat, escaped injury.

A legation official said Carlsson was en route from Hungary to Czechoslovakia. At a Russian road block he turned the car around, then started back when the Czechoslovakian soldier shot from behind the roadblock.

The Russian soldier later said he had shouted for the car to stop before firing.

Free Jew Prisoners

JERUSALEM, June 12 (AP)—Thirty-two Jewish prisoners, an unspecified number of Arab prisoners, were granted King's birthday amnesty and released last night.

In Muzen, Columbia, a public official inspected all chickens and removes any emeralds found in the gizzard.

Severe Quakes Are Recorded

NEW YORK, June 12 (AP)—Two "very severe" earthquakes possibly centered in the Dutch East Indies, were recorded at 3:41 a.m. EDT and 5:34 p.m. today by the Fordham University seismograph.

Rev. Joseph J. Lynch, university astronomer, said the earthquake was estimated at about 6,400 miles distant from New York.

Truman Near End Of Canada Visit

OTTAWA, June 12 (CP)—President Truman today was scheduled to see a part of Canada's scenic and pleasure country in a motor drive to a fashionable summer club on the site of the old Papez seignior on the Ottawa River, 45 miles from the capital.

His visit to Ottawa ends late tonight and already there is much speculation as to the possibility that his talks with Prime Minister Mackenzie King might result in some new co-operative effort, which will correct Canada's unfavorable balance of trade with the United States.

Today's program called for a drive down through the Ottawa Valley along the Gatineau hills and Laurentian mountains for luncheon at the St. Lawrence Hotel. The president will be guest of the Ottawa States Ambassador, Ray Atherton and the scene of his entertainment is on the edge of Quebec's hunting and fishing area.

Tonight the president and his family will be hosts at a dinner in the United States Embassy and they will leave for Washington by special train at 9:30 p.m. EDT.

Sugar Rationing Is Ended In U.S.

WASHINGTON, June 12 (AP)—Agriculture Secretary Anderson yesterday announced the end of sugar rationing for United States household consumers effective at midnight last night, but kept the controls on sugar prices.

Institutional users of sugar, such as hotels and restaurants, also will be exempted from rationing provisions.

The secretary told a press conference that industrial users would still be subject to rationing, however.

As in Canada, sugar was the last rationed commodity.

China May Stiffen Policy to Soviet

BY HAROLD MILKS
NANKING, June 12 (AP)—A short-lived Chinese-Mongolian border foray by a band of cavalrymen from the pro-Soviet Outer Mongolia brought demands on the government to estimate the cost of a stronger policy toward Russia.

The incident last week was discussed at a meeting of the legislative Yuan, members said, as some sources viewed the fighting from a first-open manifestation of China in danger of losing Sinkiang province under possibly Soviet-stimulated demands for autonomy.

Nankin, a spokesman for the national defense ministry reported that government troops had recaptured Peishan, a town in the province where the Mongols and Chinese forces clashed. It was retaken Saturday, a day after the Mongol incursion 50 miles into Chinese territory.

Russian sources here confirmed that the Soviets had trained and equipped a "modern army" in Outer Mongolia, including a small "but surprisingly efficient" air force.

NANKING, June 12 (Reuters)—Soviet agents have been found making unauthorized surveys of mineral deposits in Sinkiang, the Chinese territory invaded by the Mongols last night, where earlier unconfirmed reports stated uranium deposits had been discovered.

High Chinese officials said here today that the balance of trade with the Soviet Union was controlled here.

At Ottawa government officials have said that because of the world supply situation, there was little hope that sugar rationing would be lifted in Canada "for a long time to come."

Sugar and molasses remain the only rationed food commodities in the Dominion with the recent lifting of rationing on butter and other dairy products and jams and jellies.

Must Be Prepared
LONDON, June 12 (CP)—Defense Minister Alexander today told the Overseas Empire Correspondents' Association that Britain had been "forced" to the conclusion that no breathing space for preparation would be allowed at the start of any future war and that "we must in fact be constantly prepared."

Baptist Officials Elected at Session

The Rev. C. M. Edwards was elected moderator of the Edmonton-Peace River Baptist Association at the final day of their tenth annual gathering in the Macdonald Baptist Church, Wednesday.

The Rev. G. M. Edwards was elected vice-moderator, and S. Grimwood was elected secretary treasurer.

The committee chairmen elected were as follows:

Evangelism, Edgar Roberts; stewardship, John Miller, Jr.; social services, F. G. McCoy; western Baptist, Mrs. S. Olding; nominating committee, G. A. Clayton; Gulf Lake committee, Rev. S. P. Jones; Christian education, Rev. J. Flanagan; and Women's Missionary Society representative, Mrs. W. E. Stewart.

Elected representatives to the Religious Education Council of Alberta were Mrs. Byron, Miss Naomi Falkenberg, Mrs. K. A. Clark, Mrs. Oliver Ford, the Rev. M. Flanagan, Stuart Harris, and Mr. Mitchell.

Warmer Weather Forecast Here

Warmer weather is expected through today and Friday with skies being cloudy both this afternoon and tomorrow afternoon. Light winds will prevail.

The maximum temperature yesterday was 68 above at 8:30 p.m. and the overnight low registered 55 above at 5:30 a.m.

The estimated low temperature tonight is 45 above. Expected high temperature Friday is 72.

Welcomes Probe

LONDON, June 12 (AP)—Lord Rothmere, chairman of Associated Newspapers, Ltd., proprietor of the London Daily Mail, Evening News, Sunday Dispatch and Overseas Daily Mail, said in a statement yesterday that British newspapers "have nothing to hide" and will gladly supply all information requested to the Royal Commission investigating the press.

Iron ore was discovered on the west slope of the Alleghenies in 1792.

Yukon Settler Feared Drowned

DAWSON, Y.T., June 12 (AP)—Ray Williams, 65, who came to the Yukon from Chicago last year to settle the estate of his brother, William A. Williams, was presumed drowned here yesterday following reports from Alaskan authorities that his rifle and sleeping bag were found on a raft found drifting on Forty Mile river, below Mosquito Fork. Williams left here in spring to visit gold properties discovered by his brother on Forty Mile river. His widow and young son reside here.

Seven-Inch Slot Permits Escape

CANON, S. D., June 12 (AP)—Charles Devlin, 35, made a sick leap from jail where he was held on a forged charge. Sheriff Bernard Tuntland said Devlin apparently used a pound of lead taken from the jail kitchen, to pry himself out of the window through a window that had been pried open about seven inches.

Kate Smith Plans Quit CBS Network

CHICAGO, June 12 (CP)—Singer Kate Smith announced here Tuesday that she is leaving the Columbia Broadcasting System after 18 years to go with Mutual Broadcasting System. She will make the switch June 23 on her daytime show and end her Sunday program June 26. She will not do a Sunday show next year.

Russians Deny Vatican Claim

MOSCOW, June 12 (AP)—The government newspaper Izvestia denied yesterday a recent Vatican bulletin saying that a Roman Catholic bishop and three priests had been placed in a concentration camp in North Korea, which Russia occupies.

Wife Must Learn Lesson Hard Way

BALTIMORE, June 12 (AP)—A bontish young gentleman went to the desk in a large free library and said (sob): "I lost my books." Librarian Elsie Phillips found it, a 16-inch garish shawl, curled up in the music room. "Thanks," said the man, repocketing his shawl. "I'm taking it home to teach my wife a lesson. Break her of going through my pockets all night."

Actress Has Son

HOLLYWOOD, June 12 (AP)—Actress Cubina Wright, Jr., and her husband, Palmer Beaudette, yesterday became the parents of a six-pound boy, their third. The Beaudettes married in 1941.

Bandits Attack

SHANGHAI, June 12 (AP)—The United States Army graves registration service said today a grave train was attacked by Chinese in a mountainous west of China early this week and lost 15 Chinese soldiers. Eleven killed and five wounded.

Up To Canadians To Prevent War

OTTAWA, June 12 (CP)—Defense Minister Claxton said last night that Canada's first aim must be to work with other nations to prevent war and to create the positive conditions of prosperity and security for peace but at the same time she must have a strong defensive force.

London Commuters To Ride in Ease

LONDON, June 12 (Reuters)—British subway commuters in the capital will ride in cushioned rubber-upholstered easy chairs fitted with seatbelts if a new luxury car now being tried is successful, it was disclosed yesterday.

Germans Strike

PARIS, June 12 (Reuters)—Two thousand German prisoners employed in French coal mines at Lens, south of Lille, struck yesterday because a French mining inspector criticized them for lack-lustre.

Rita Faints

BRUSSELS, June 12 (AP)—Rita Hayworth, United States motion picture actress, fainted today in a surprising crowd of Belgian film fans when she was presented to newspaper men at the Brussels film festival. After a few minutes she recovered and signed autographs.

Bandits Attack

SHANGHAI, June 12 (AP)—The United States Army graves registration service said today a grave train was attacked by Chinese in a mountainous west of China early this week and lost 15 Chinese soldiers. Eleven killed and five wounded.

200 Attend Tea

New Hall Is Opened At City Kiwanis Home

New edition to the Kiwanis Children's Home, the Straesser hall valued at approximately \$20,000, was officially opened Wednesday afternoon when 200 club officials, their wives, and members of various women's clubs of Edmonton, attended a tea of the Kiwanis Ladies' Club in the recreation room of the new hall.

Purpose of the hall is to provide the 50 children of the home with proper facilities and space for supervised recreation, and the guidance of a trained welfare worker.

"THE NEW HALL, located immediately north of the children's home, includes recreation, sports, study, music and play room. The children of the home will periodically be allowed to invite friends into the hall for parties and other social functions. The tea was held between 3 and 5 p.m. Wednesday.

Still Wide Discord On Atomic Control

By JOHN A. FARIS, JR.
LAKE SUCCESS, June 12 (AP)—Russia and the western powers were still poles apart today in their views on atomic control, but some United Nations delegates expressed belief that Soviet proposals submitted yesterday at least offered the basis for a new approach to the problem.

While there were no signs that the 12-month deadline in the UN atomic energy commission was any nearer solution, the delegates had before them for the first time a detailed Soviet plan for atomic control.

Few Ukrainians Said Communists

By VICTOR MACKIE
Pleasanton Bulletin Ottawa Bureau
OTTAWA, June 12—Less than 10 per cent of the 300,000 Ukrainians in Canada were said Communists by a Senate committee on immigration was informed Thursday when a delegation from the Ukrainian Canadian Committee appeared before it headed by Very Rev. Dr. Basil Kuchner of Winnipeg.

Taking Advantage Of Hospitalization

Pensioners in the province are taking full advantage of the provincial government's hospitalization scheme which provides free medical and dental care for pensioners and their dependents. Hon. D. W. Cross, minister of health said Thursday morning.

The scheme which came into effect June 1 has resulted in a sharp increase in the number of pensioners undergoing medical treatment. There are some restrictions as to treatment offered. Dr. Cross said, recalling that when a similar scheme was introduced in Saskatchewan some pensioners took advantage of it, obtaining more than one pair of glasses and several sets of false teeth.

Railway Strike Settled in France

PARIS, June 12 (AP)—The French government granted French railway workers salary boosts today, thus ending a six-day national rail strike which caused the worst transportation disruption in the country's history.

The railway workers union ordered its members back to work after an all-night series of conferences. Minister of Transport Paul Ramadier and Transport Minister Jules Moch signed the accord.

Hear More Protests On Rates Boost

By JOHN LEBLANC
REGINA, June 12 (CP)—Further western protests against Regent railway freight rate increases were heard today by the Board of Transport Commissioners in the national rate inquiry.

As Saskatchewan hearings entered their fourth day, the commissioners heard objections to the railway proposal from consumers and producers.

Shuttleworth

Whether it's Winnipeg or "Windhoek" the name SHUTTLEWORTH is what men want to find made their summer hats... it stands for supremacy in styling, value and workmanship... it's

The Name to Remember in— HATS for SUMMER

*Windhoek, Southwest Africa

Comb Beautiful Color Into Gray Faded Hair

Don't let gray hair add years to your look. Give those graying locks new color, life, youth, beauty. Get 15 of all three of gray hair in a given in your own home. You can do it. Get your hair professionally-colored or risk off time and stain the scalp or permanent. Try the money-saving Color Crepe today. You will soon forget you ever had gray hair and will look years younger.—Advt.

THE Bay

Now is the "sunsible" time to buy

Swim Suits

by Rose Marie Reid!

- many patterns, many shades
- one and two-piece styles

7.95

Do you like to play while the sun shines and get in the swim of things too? Then Rose Marie Reid has created bathing beauties just for you. Suits with skirts or pants, shorts, adjustable top. Try them in yellow, white, black, pink or turquoise. Others at \$3.95.

You are invited to attend an informal review of "morning to midnight" fashions featuring white for summer.

Two shows, at 12:20 and 3:20, to be held in our Fashion Center, Second Floor, tomorrow!

Peasant Blouses

Each cool frothing for Summer skirts in 12 styles in strap collars with wide puff sleeves and low drawing neckline edged in green or blue band trim. **3.98**

Size 12 to 16.

Sateen Skirts

Lightly finished peasant skirts you'll love for casual Summer wear. They're fully tailored with big waistbands, a flared skirt and a full skirt. **3.98**

Black only in sizes 12 to 16.

Tooke Shirts

These incomparable Man Tailored "Tooke" are famous for long wear, easy laundering, and complete separation in front, back, and sleeves. Blue, white, yellow, blue, pink, white. Round, square, and striped. **3.50**

Plains in sizes 12 to 26 to 42.

Reporters, Second Floor

They're London tailored Gor-ray Skirts

10.98

A fabric for Summer—uniquely tailored English Gor-ray in blue and black, pink, herringbone, stripes and plaid. They're the famous Keweenaw skirt, side slash pockets. Many shades. **10.98**

Size 12 to 26.

Fashion Center, Second Floor

To flatter a pretty face Straw Hats

by Richelieu!

North Side Legion Cops Coveted up

Triumphs 6-Nil Over South Side In Soccer Final

North Side Legion players, presenting a dazzling passing attack that left their "brothers" from across the field flat-footed, particularly in the first half, toted the coveted Vets Martin trophy to their clubhouse last evening after handing the South Side a decisive 6-0 trimming at Clarke Stadium.

It was the second clash of the Vets for the prized piece of silverware as they battled to a 1-1 draw Saturday evening.

NORTH SIDE players left no doubt as to their superiority in last night's encounter, however. They went all out for goals from the start and when the half-time whistle blew were out in front with a comfortable 3-0 edge.

Steve Gillings, Jack Wilce and Bob Graham were the boys with the charmed foot, Gillings out-

smarted Ed Waugh three times and Wilce twice in the first half, while Bob Graham collected the only tally after the change-over.

A GOOD SIZED crowd was in the grandstand and the evening was ideal. The first saw a lively tussle of soccer, and South Side with George Dempster playing a

standout game, kept trying although it was obviously outclassed. The

last half saw several goal opportunities in the second half, but

lacked polish around the goal, shooting wide, or over the top.

It took the North Siders only three minutes to make the score

1-0. Then they were not relinquished Dave Gillings took a nifty cross from Wilce

and Waugh had no chance on the

close-in shot.

THE WINNERS maintained their

relentless pace, but 23 minutes had

elapsed before they could pen-

etrate the opposition, claded again

Wilce firing another close shot but

was taking a pass from Thomas.

Dempster had an excellent

chance to reduce the margin and

put his team in a contending po-

sition when the North Side was

penalized, but he was wide of his

target.

THE VETS Martin trophy was

presented to the winners by the

clubhouse manager, Mr. J. H. Mc-

Donald.

For Fourth Term Re-Elect Heckbert As Legion President

S. Carl Heckbert, Vermilion, became president of Alberta's 30,000 Canadian Legion members for his fourth successive term, during election of officers at Wednesday afternoon's closing session of the 13th convention of the Alberta Legion Command. Returned to office by acclamation, Mr. Heckbert will add two more years of service to the six he already has given as president of the provincial command.

STATING it was only upon invitation of many delegates that he allowed his name to come before the convention, Mr. Heckbert told legionnaires: "I express a deep feeling of satisfaction for this display of confidence. It is a very high honor to be re-elected."

Withdrawal of R. W. Henderson, Calgary, and James Hartley, Macleod from nomination made Mr. Heckbert's return to office automatic.

Precedent was established during elections when Mrs. M. G. Power of Calgary became the first woman to occupy the position of second vice-president of the Alberta command. "It means very much to me," she said, "I am very proud of my legion membership." Then the lady legionnaire added: "I wonder what my family will say."

Mrs. Dever, a former Lt.-Col. in the CWA, was elected to office over D. W. Morgan, Calgary; D. J. Keenan, Jasper; and S. G. Main, Medicine Hat.

J. Harper Brown, former second vice-president, withdrew his name from nomination because he will soon contest his leadership of a political party. He did not think it suitable to occupy a Legion position and possibly a political one at the same time.

GEORGE GLEAVE, Edmonton, was elected first vice-president, defeating R. W. Henderson, D. W. Morgan, and James Hartley. Honorary treasurer at the 1948 convention will be S. S. Nelson, Calgary, who received a plurality vote. Walter R. McLaren, Edmonton.

Chairman for the next convention will be J. Allen, Calgary, named by acclamation. He served as chairman of this year's convention. Post of provincial secretary of the Legion did not come up for vote. D. E. Fraser, Edmonton, will continue in that capacity.

Various district representatives were elected by caucus. H. Starr will be Calgary veterans' representative for the next two years.

Harry Abbott was lectured northern Alberta representative, A. F. Seward, north-western; P. Buchanan, northern; A. Beaumont, south-eastern; Percy Smith, central; and G. A. H. Trudeau, south-western representative. T.V.S. representative is R. Knight.

Legion Defeats Wage Resolution

A resolution dealing with legislation designed to better wage conditions among war veterans was defeated at Wednesday session of the 13th biennial convention of the provincial command, Canadian Legion.

The resolution, which was based on figures which claimed that 30 per cent of Alberta's veterans were working on sub-standard wages, would have empowered the provincial executive to place delegates on already existing co-ordination committees dealing with the problem of the provincial command. Edmonton lost a chance to become provincial headquarters of the Alberta Legion command when Southern Alberta delegates to the convention voted solidly against a resolution to that effect.

BETTER, in present legion colors, were made the official headquarters of the Canadian Legion under the terms of another resolution which was passed. The present Legion wage pact was recommended to be discontinued. Described as "unconstitutional as dealing with racial discrimination," a resolution submitted by the Vancouver branch No. 10 of the Ladies Auxiliary to have the Dominion government abolish the wartime colonies as a menace to Canada, and another to prevent immigration of Japanese and Chinese to Canada, was defeated.

Articles Stolen From Clotheslines

Four women had a quantity of clothing stolen from their clothes lines on Tuesday night according to reports received by city police. The four making the reports were: Mrs. S. Thom, 11236 90 street; Mrs. J. Stewart, 11910 90 street; Mrs. M. Steele, 11331 96 street; and Mrs. P. Holowachuk, 10610A 102 street.

Knight Dies

SYDNEY, Australia, June 12.—(AP)—Sir Thomas Buckland, Australia's oldest knight, died at his home here last night, just seven weeks before his 99th birthday. Born in Madstone, England, he began his career in Australia as a gold miner and eventually became president of the bank of New South Wales.

Convicts Escape

YAKIMA, Wash., June 12.—(AP)—Police today searched for a break-out convict, last night escaped here for three convicts who escaped in a prison guard's automobile. The three escapees, their guard as he was taking them to the state penitentiary at Walla Walla from Seattle.

Cut Living Costs

BUENOS AIRES, June 12.—(Reuters)—President Peron announced today he had signed five new decrees against the high cost of living. The measures provide for a 15 per cent reduction in rents, up to 20 per cent on clothing and 20 per cent on movie theatre prices.

Stomach Disorders May Cause Bad Headaches

Often a headache caused by an ailment of some other part of the body far removed from the pain. It may be an upset stomach or some intestinal disorder. If you are troubled by such headaches try not your Burdock Blood Bitters. For Burdock Blood Bitters is a favorite remedy for minor intestinal disorders. It helps to regulate the digestive organs, ease up the liver and gall bladder, and the bowels. As a result, there may be an improvement in the general health. For the Burdock Blood Bitters has been known to help. It should be the mainstay for you. Burdock Blood Bitters is sold at all drug stores.

School Board Seeks Property

Negotiations are under way between the Edmonton Public School board and the Imperial Oil Co. for purchase of the south-west corner of Kingsway and 161 street, and the north-west corner of 108 street and 161 street, as part of the site for the composite high school.

This was announced at an Edmonton Public School board meeting in the Civic Block Tuesday night.

It was decided by the board to raise the minimum salaries of "A" and "B" school board stenographers from \$720 to \$875 per year, plus a \$75 cost of living bonus, effective June 1.

The board adopted a policy of engaging a number of qualified, inexperienced teachers, as they graduate from the University of Alberta, and the number will be determined by the board in the light of vacancies existing from time to time.

The fee of non-resident Grade 9 students will be increased from \$40 to \$100 per year effective at the opening of school in September.

In a medical report, Dr. G. E. Swallow, medical inspector of schools, stated that during May, there were 314 complete physical examinations and 44 special inspections by the board's doctors.

In the inoculation and vaccination campaign finished in May, 2,484 pupils were inoculated and re-inoculated against diphtheria, and 1,760 vaccinated against smallpox. Mrs. Joyce Hamlin, principal of the school, obtained leave of absence.

R. O. Brindley was appointed acting supervisor of physical education from September, 1947 to June 1.

Miss Harriette Inkster was appointed principal of Rutherford elementary school from September, 1947 to June 1 of the following year.

Miss Vivian Miller was appointed vice-principal of North Edmonton elementary school for the next school year.

It was decided that James Williams be transferred from the intermediate staff of Strathcona high school to the high school staff, Miss Violet Mitchell was transferred from the elementary staff to the home economics staff for the following school year.

Miss Annabelle Palfrey was appointed school stenographer, due to the resignation of Mrs. Bunnell.

Legion Delegates Attend Banquet

About 400 legionnaires and their guests attended a banquet at the Macdonald hotel Tuesday evening, at Montgomery Branch No. 26. Played host to visiting delegates of the 15th Alberta Command, Canadian Legion convention.

Percy J. Gwynne, president of the Montgomery Branch, was toastmaster.

Toasts to Alberta was proposed by S. C. Heckbert, Vermilion, president of the Alberta Command of the legion. Hon. D. B. MacMillan, minister of agriculture, responded.

DUDLEY WARD, Calgary M.L.A., proposed a toast to the city of Edmonton. Ald. H. E. Tanner, who stated that Edmonton has an unusual record of employing the largest percentage of returned men in Canada, responded.

George Derby, regional director of veterans' affairs, who is visiting Edmonton for a short stay before returning to Vancouver, spoke briefly on the activities of the Canadian Legion. He praised the legion for its fine work.

The Rev. T. R. Davies, Edmonton, proposed the toast to the legion. In his speech he stated that the organization was one of the war-time auxiliary services without which the army could not have got along. He stressed the educational work for servicemen which the legion had carried out.

Reply to Mr. Davies' toast was made by R. "Bub" McNeel, secretary of the BC command.

Legion Convention Officially Closed

Fifteenth convention of the Alberta Command, Canadian Legion, was officially closed with a dance and floor show held in the Memorial Hall last night. About 300 members were present.

An interesting and varied program was presented. One of the highlights of the evening was the dance number As Time Passes by performed by Betty Cairney and Andy Anderson. Miss Cairney and Mr. Anderson also did a waltz. A dramatic dance was given by Marguerite McGregor, Joan Bryan and a tap dance by Joan Bryan and Morris Pettit. Betty Sims was a soloist for the other selections. Dick Macdonald was in charge of the evening's entertainment. Asisted Bill McNeil.

Five prizes were awarded during the course of the evening.

SUSPENDED MEETINGS

The Edmonton branch of the Social Security League will not hold the regular monthly meetings during the months of June, July and August. It was announced Thursday.

Lumber Company Offices Entered

An entry into the offices of the Beaver Lumber Company, 1010 100 street, by way of a bathroom win-

dow was discovered by Constable W. Wells, about 8:30 a.m. Thursday. The office was ransacked but the manager, Ralph Lawrence, reports that nothing is missing. The constable said that when he inspected the premises at 4:45 a.m. Thursday, he found the window broken, but nothing was missing. The diamond is the hardest, most enduring substance in nature.

Doubt Spitsbergen Of Military Value

(The following is the last of a series of stories by Ross Munro, chief European correspondent of The Canadian Press, dealing with Russia's demand for a military base on Spitsbergen. Munro visited the Norway-occupied archipelago in 1941 on a year correspondent with a Canadian expeditionary force.—EDITOR.)

By Ross Munro

OSLO, June 12.—(CP)—The Soviet Union has been seeking to negotiate with Norway towards establishing military bases on Spitsbergen in the Arctic sea but there is a good deal of doubt among military authorities as to the feasibility and value of such an enterprise.

A NORWEGIAN officer, who knows Spitsbergen well, said he doubts many reservations about it as a base. It is frozen up except for a few months a year at the most and through the long winter there is practically complete darkness which would greatly hamper air operations.

Somewhat the same opinion was held by British authorities who throughout the war refrained from establishing an Allied base there because of the numerous difficulties of supply and the building of suitable airfields on slender shorelines alongside snow-capped mountains that frequently rise from fjords.

During the war a base there would have been considerable value to help protect Arctic convoys to Russia and the original plan for the Canadian raiding force, which went there in 1941 was for it to remain all winter and create a base. But the plan was altered at the 10th hour and the Canadians remained for only a few days, evacuating everyone from the island.

GERMAN OPERATIONS on Spitsbergen were limited according to information here, in accord-

Honored by King

Only Canadian mentioned on the King's birthday honors list, according to information reaching Edmonton Wednesday, was Sgt. L. W. A. Waterson, RAF, who was born in Edmonton in 1916. His father has served for many years as police chief at Camrose, where the airman was educated. He was awarded a bar to the DMC for his part in a successful skippered record attempt by British planes last year.

Excessive Vitamin D Could Be Fatal

ATLANTIC CITY, N.J., June 12.—(AP)—Too much vitamin D, the American Medical Association was told today, may be fatal, and hundreds of deaths have occurred in the past few years because of its excessive use.

Dieters who take too much of the vitamin D are said to have produced kidney damage, calcium deposits and other toxic symptoms.

UN Secretary States:

No Country Is Able Consider More War

WINNIPEG, June 12.—(CP)—No country in the world is able to contemplate another general war, Trygve Lie, secretary-general of the United Nations, said here last night.

IN AN ADDRESS to the United Nations Society of Winnipeg, Lie said that gradual disarmament were reflected in an atmosphere of discouragement which is bound to confuse and discourage the public mind. "However he said that 'we must be realistic but not pessimistic'."

Saying that he had visited Canada several times, although never in his present capacity, Mr. Lie said he felt especially at home in Winnipeg "because I have come to know this country so well through the work of the United Nations representatives of Canada, whom I have met in the past and who are outside your borders."

Trailing Canada's war contribution, he mentioned the name of his fellow Norwegian "white" Canadian hospital "white" training for the Norwegian soldiers in Canada.

MR. LIE SAID THE UN has developed "into a going institution" despite the failure of the great powers to agree on the peace treaty.

Foot Falls Hundred Feet in Carriage

NEW YORK, June 12.—(AP)—A 10-year-old boy, Owen Kelly Jr., rolling over and over in the perambulator in which he was strapped as the carriage plunged 100 feet down a ravine, escaped yesterday with minor cuts and bruises. The carriage rolled over the edge of the ravine in Upper Manhattan while his mother was talking to friends.

Ireland Primate Visiting Canada

HALFAX, June 12.—(CP)—The only way to peace is "more prayer and more prayer," said Most Rev. John D'Alton, Roman Catholic archbishop of Armagh and primate of All Ireland, who arrived here yesterday on his way to the Marian Congress at Ottawa. The Irish primate, two experts on scientific warfare, 844 Polish soldiers on their way to Canadian farms and a small group of displaced persons from Germany were among the 2250 passengers on the liner Anitania.

Montreal Fears Polio Outbreak

MONTREAL, June 12.—(CP)—A frightening health bulletin warned last night that this summer could be a summer to fear unless proper protective steps are taken against infantile paralysis. He was Dr. Arthur Crooks, director of the city health department, who said it appeared that polio epidemics were on their way in Montreal. He referred back to statistics which showed that in 1941 the disease struck 144 Montrealsers caused 24 deaths.

High Employment Level Will Stay

OTTAWA, June 12.—(CP)—Labor Minister Mitchell predicted yesterday that there would be a continuation of high employment through 1947 and claimed that this spring has produced an employment level higher than in any similar period of any other peacetime year.

To Study Muskeg

HAMILTON, June 12.—(CP)—Prof. Norman W. Hufford of McMaster University left here last night for Churchill, Man., where he will direct a special research project on Canadian muskeg. The project is under auspices of the National Research Council.

ALWAYS READY FOR HER MEALS

SCIENCE has proved there are certain food elements everyone needs for health. If there aren't enough of them in a child's food, serious things can happen—such as loss of appetite, stunted growth, soft bones, poor teeth, faulty nerves, digestive trouble.

Ovaltine supplements the diet with elements frequently deficient in ordinary food. These elements of Ovaltine furnish a significant portion of a child's daily requirements of Vitamin A, B, C, D, Riboflavin (B2), and Nicotinamide (B3), essential nutrients.

In addition it provides the basic food substance—complete proteins in food—meats, eggs and dairy foods—high-energy, soluble but "easy" and assimilable. It is an ideal food for infants, children, convalescents, and the elderly.

It is a complete, balanced, and delicious food. Ovaltine for infants, children, convalescents, and the elderly.

OVALTINE

Church Receives Rockwood Findings

WINNIPEG, June 12.—(CP)—The 12nd general assembly of the Presbyterian Church continued its deliberations today after delegates had heard a report on the activities of the Nova Scotia presbytery of the church.

A special committee was appointed by the assembly to bring in a report on the activities regarding the Nova Scotia presbytery. The committee's report and last night's findings before the assembly were approved by the church's supreme court.

Mr. Rockwood of Truro, N.S., was read last spring by the presbytery of Halifax and Lunenburg on a charge of having followed a divisive course within the church. He was found guilty but before judgment of the presbytery could be given at its next regular meeting, the minister withdrew from the assembly and has since been a non-denominational church in Truro.

The presbytery of Nova Scotia ruled the general assembly because of the wide publicity received in the paper. The Bible said that in their wisdom men best to ensure that the facts and issues involved may be made public officially for the confirmation and guidance of our people.

What's your score on Sleep?

YOU spend about a third of your life at it — so you might as well know something about Sleep. What's your score on the following statements — true or false?

① the earlier hours of sleep are the best—
true: Science has found the first four or five hours are most beneficial.

② sleeping on the left side strains the heart—
false: It makes no difference whether the average person sleeps on his back or either side.

③ it is better to lie absolutely still when asleep—
false: The muscles of the body are heaved by periodic changes of position.

④ you can drink postum at any hour and sleep perfectly—
true: Postum is caffeine free—contains no stimulants of any kind.

Try Postum! Make it right in the cup, with boiling water or hot milk. Costs less than a cent a serving!
